FOREWORD

In this modern day of moving pictures, we, the Staff of the 1937 Tatler, have endeavored to present to you . . . the Alumni and undergraduates of Alton High . . . a daily review of our school activities through the eyes of a movie camera.

We sincerely hope you enjoy our drama . . . and if we have helped in bringing back some of the pleasant memories of school careers, we have reached our goal.

THE STAFF

Dedication

It is with great pleasure that we, the members of the 1937 Tatler Staff, dedicate this volume of the Tatler to Warderman P. Stallings. Mr. Stallings has been a teacher in Alton High for eighteen years, teaching Commercial Arithmetic and Geometry.

He has done much to make this school a pleasant place to attend and has encouraged development of school spirit and high ideals.

BARBARA ANN DRAKE

July 24, 1920

October 26, 1936

She is sixteen and beautiful as dawn.
To make no prayer to stay her hour of living,
O Father. This I can not ask of you:
To spare her loss and pain and joy of giving,
To hold the petaled bud, the drop of dew,
And keep her lovely with eternal youth
And days that weave a careless fantasy.
I would not rob her of the thorns of truth,
For sorrow deeply pays for ecstasy.

REYNOLDS

HAND

OSKER REYNOLDS, senior, played his third year as a regular in the Red Bird line-up. Osker developed skill in both starting and receiving passes, and the season of 1936 found Osker on one end or the other of many passes tried by Alton High. Reynolds said, "It is awfully hard to pick my greatest thrill, but for 1936 it came near the end of the second quarter in the game with Western when "Fat" threw a pass back of the 35 yard line which I received in the end zone—the touchdown that broke Western's fight."

WILBUR HAND, senior, played his second season as a regular—having seen some service in 1934, when he started some games at the close of the season and playing full time with the "Steam Roller" crew of 1935. Dutch had come close to a regular starting assignment in the entire season of 1934. "My greatest thrill came in the game with Western on Thanksgiving Day, 1936, when we came out victorious for the sixth consecutive year. With this victory there was an anti-climax too—my last high school football game."

RALPH SPURGEON, senior, started the season in the line and started with a bang that kept opponents on the alert to stop a dash here and there. If "Spurg" had broken into the starting line-up earlier in his school career, more would have been heard of him. Spurgeon said: "My thrill started in football when coach told me I was

in the starting line-up and when I intercepted a Cleveland pass and ran for a touchdown, my thrill was doubled."

FRANCIS DOYLE, senior, got his chance to play a complete season. Rather light in weight, Doyle had to call on speed to help him out of his back-field problems. Speaking for himself—Doyle said, "In my first game I was to return punts that fell in my territory. Then came a punt right at me—I saw the ball and I saw eleven men coming right at me. I put out my arms to catch the ball but it sailed over my head. My embarrassment and coach's disappointment."

Football Lettermen

ROGERS FARLEY, senior, played regular as soon as he got in shape due to a few days of school going by before he enrolled. Farley made up in speed and determination what he may have lacked in weight. Rogers said, "My greatest thrill came in the Western game when I realized that we were slowly but surely wearing Western down and beginning to apply our sixth Alton High football victory in as many years. The final gun made that 18-0 score a real thrill."

WILLIAM "BILL" FORRESTER, senior, had enough natural athletic ability together with good coaching to come through as a regular in his first—one and only—year out for football. Bill said, "If I had known football was so much fun I'd have gone out sooner. I realized the thrill one gets when a team-mate kicks a field goal, since "Fat" turned this trick for us in the Collinsville game. It was a real thrill to see that ball sail over the bar."

OTIS LANGFORD, senior, and another boy who delayed his coming out for football until his senior year. Otis had what it takes to stick on the squad day after day when he seldom got into a game. Langford didn't squawk because he knew boys who had a year or two left in school had first call. Then three days before the Western game Jones injured his leg. Otis said, "Naturally I was eager to play against Western but sorry Tommy was hurt. It was a thrill to me to give all I had in this one game of my high school football career."

TOMMY JONES, junior, playing his second season of high school football showed up well—and following that all-powerful back-field of '35 was no easy task. Jones had been a part of that last championship crew long enough to know what to do. Tommy's biggest thrill of the season, "Toward the close of the first half of the Western game when "Fat" faded back and heaved a pass to "Oskey" Reynolds who took the ball in the end zone for a touchdown. Boy that one was real."

KEITH COOK, junior, playing his second season on the squad came into his own and while not winning a place on the all-conference team he gave a good account of his presence on the grid-iron and many opponents could and did wish to see some one else in Keith's shoes. Keith said, "My greatest thrill came in the Wood River game when the play called for me to attempt a pass to Harrison. "Fat" got there where I threw the ball—a completed pass on my first attempt."

JAY TRAVIS, junior, had a chance for his first full year as a regular and then in the fourth game of the season—playing against East St. Louis—J. R. had the worst injury of the season hurled upon him when he received a dislocated and badly bruised elbow. J. R. said, "I am saving my thrill for next year when I hope to help make Alton High a winner. I want to redeem myself for the fumble in the East St. Louis game."

DOUGLAS HUISH, junior, playing his first season as a regular won a place in the line. With a year to grow he should be one fellow in the line with whom opponents will have a world of trouble, since this season just passed, Huish was found doing his stuff in a seasoned manner. Douglas wasn't quite certain what was the most thrilling moment of the season but finally said, "The biggest thrill I got this season came in the game we played at Wood River when every-

body on the squad got into the game."

STANLEY MATTHEY, sophomore, was playing his first year on the squad and his first year as a regular. "Stan" had a little tough luck with illness that threatened to keep him inactive for a while, but he soon recovered and fitted into the regular line-up where his weight in the line helped stop opponents. "Stan" said, "My biggest thrill came in the Collinsville game when the play called for "Fat" to try a field goal—take it from me it was great to see that try good for 3 points."

CARL BAILEY, junior, playing his first regular season in the backfield gave a good account of his previous year's training when much of this year's team served as the scrimmage group to oppose the '35 "Steam Roller" Championship eleven. Bailey said, "I used to think it great to be on the squad that played against "Fat." My biggest thrill came when I found I had won a chance to start with Harrison on the first team."

CHARLES TACKWELL, sophomore, 135 pounds and the lightest man to hold the center position in the history of present day athletics of Alton High was playing his first season of high school football and did a fine piece of work. Charlie, too, found a thrill in football. He said, "In the Collinsville game when "Fat" called for a punt formation to try for a field goal I was excited but got a pass back that was set up and "Fat's" toe put the ball over the bar for 3 points."

BILL BUND, junior, was also playing his second season on the squad and got into enough battles to win both his spurs and a letter. Bill should be a regular fixture in next year's line. A little more height and weight this year would have put Bill into the regular starting line-up. As Bill looked over the football season just closing he said, "The biggest thrill of the season is awfully hard to name. There were many thrills but I'll pick the Granite City game, although we lost 12-13."

ROBERT BROWN, junior, playing his first season drew a place in the line and did a good job of it—being dependable and reliable along with ability to take it as well as dish it out. In other words Brown fitted into the scheme of things on defense as well as offense. A year to grow in both height and weight will make Brown a tougher guy to stop than he was this year. "I do not know that I can pick out any single play of the season that was the most thrilling. The entire season was a thrill to me."

LeRoy "Fat" Harrison

It is beyond doubt a truth that "Fat" Harrison has made the best athletic record of any Alton High player in the last twenty years, and one of the best records in all the athletic history of Alton High. "Fat" has always had size, natural athletic ability, personality, good manners, ease, elegance, poise, honesty, honor, reputation, and character on his side. Endowed by nature with some of these attributes he had the happy faculty to develop the others.

"Fat" began his athletic career in Alton High in the fall of 1933 when Coach Jackson was badly in need of another lineman. "Fat" clicked and clicked so well that he not only won a football letter but made the all-conference team. "Fat" never laid down in a football game and never failed to be in his regular place at the start of the game throughout 4 years of play. If deception in play was needed "Fat" could qualify, however, straight football was usually his choice and opponents frequently used 2, quite often 3 men to stop "Fat." A keen example of "Fat's" deception came in '34 against Western Military. Alton High 3—Western 7—4th quarter. "Fat" dropped out of the line to the backfield on offense—a punt formation—but "Fat" just didn't punt. He dashed down the field and a surprised Western outfit finally downed him deep in their own territory and before Western could pull themselves together an Alton touch-down gave that thrilling, scintillating, heart pounding, never to be forgotten 9-7 game. But "Fat" did not make the touch-down—he was back in the line and the regular back-field got the touch-down credit.

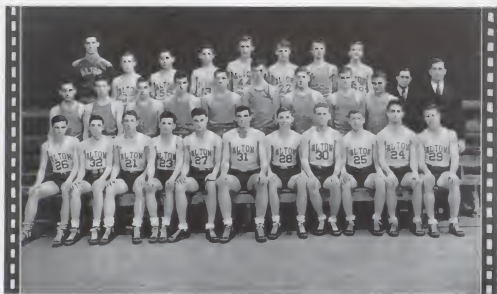

In basketball "Fat" was not an individual star but he gave all he had. He was out for basketball and a member of the starting line-up all his high school career. Size and determination found "Fat" recovering far more than his share of re-bounds and a threat under the basket.

Track puts a player on his own. Here "Fat" won honors. He set conference records in shot put and discus. In the State meet in 1936 "Fat" won first in the discus and fourth in shot put.

IN SUMMARY

4 football letters. 4 basketball letters. 3 track letters. 3 years All-State Football Team (first high school athlete so honored). 36 track medals and trophies. Captain of football and basketball teams in senior year. Member of Boys' Cabinet and Times Staff. Met requirements for honor roll two semesters. A legion of friends among Alton High athletes, pupils, teachers, and towns-people.

Basketball

RED BIRD basketball hopes for the 1936-'37 season had a grand beginning but a rather disastrous ending—the boys won 7 out of their first 8 games played and at the close of the season dropped 5 out of 8 to their opponents. During the season 24 games were played with 13 wins and 11 losses. The Red Birds scored 573 points while opponents got away for 627 tallies. In Conference play the Birds split their 12 games evenly—winning both contests against Granite, Madison and Belleville, while dropping both contests to Collinsville, East St. Louis and Wood River. In Conference play the Birds chalked up 302 points while opponents grabbed a total of 343 points. Alton finished fourth in Conference standing—trailing the winning Collinsville quintet, Wood River runner-up, third place East Siders—and finishing ahead of Granite City, Madison and Belleville. Belleville failed to gain a single Conference win. During the first semester the Red Birds won 8 and lost 3 games while winning 5 and losing 8 the second semester.

The Red Birds got a break in first round of tournament play at Wood River and met Chesterfield, the runner-up of the Jerseyville tournament of the preceding week. Following the win over Chesterfield the Collinsville "Kahoks" took the measure of the Red Birds. On Saturday night the Holt coached crew matched tricks with Edwardsville Tigers (who will be in the conference again next year) but the "consolation" in their game went to Edwardsville when individual play failed to score enough points to win.

Fat Harrison and Bill Forrester closed their athletic careers in mid-year and the loss of these "men" showed up in several of the second semester games. Cook and Jones replaced the mid-year graduates and played good ball—getting experience that will be valuable to them in next year's play. Spurgeon at forward was high point man in the season just closing, while Reynolds at forward was much stronger on defense than offense. Bailey played a good game at guard. Graduation in June claims Spurgeon and Reynolds, while Bailey has another semester next year. Jones and Cook will be on the team another year. Tackwell, Travis, Lau, Lock, Patterson, Schwartz and others look to be good prospects for next year's squad and team.

Mount Vernon Tournament

THE Red Bird quintet showed their best and most consistent basketball of the season in the Mt. Vernon Tournament. In these games the Red Birds were usually trailing their opponents by a few points even as late as the middle of the fourth quarter but in each game were able to put on a rally that netted a victory. Granite City, Johnson City and West Frankfort each lost to Alton by 2 points. Coach Holt and the boys returned with a beautiful cup as the reward for winning this invitational tournament.

Second Team Basketball

THE destiny of second team basketball was placed in the hands of Foster McCarty at the beginning of the season and after getting away to a bad start the squad eased up on their fear of opponents and began to win. The boys lost their first five games and then won 6 out of their next 9 games—closing the season with 6 wins and 8 losses, scoring a total of 272 points to 336 for their opponents. A large number of players were given a chance in each game—the policy of Coach McCarty was to give players a chance to develop basketball ability under fire rather than attempting to find a winning five. The first team squad for next year will have to draw heavily from this year's second team squad.

Managers

THESE four boys have given much time in the past year to the coaches in the various sports. Every good coach needs a manager upon whom to place the blame when things go wrong, but nevertheless the managers this year were able to take it and did their work well.

Cheer Leaders

SECURING a full season of cheering "Cheer Leaders" is a much easier thing to talk about than to make a reality. This athletic season started out with much the same cheer leaders we had the year before but due to various reasons we were soon out of cheer leaders. At this point Betty Jo Norris, Marilyn Stanton, and Dora Brown took up the task. In football Stanton and Brown did a good piece of work—assisted by Norris in the Western game. Stanton carried most of the battle in basketball, being assisted at times by Brown. It has been many years since we have had so many as one girl as cheer leader—and this year the girls have proved that the feminine sex can really lead a group of lusty lunged rooters whether it be the gridiron or the hardwood floor for the scene of battle.

Wrestling

THE wrestling squad—under Coach Hainline—had a successful season. The only conference champion on the squad was Dutch Hand, and no heavy-weight in the conference gave Dutch any serious trouble. Dutch won most of his matches in less than 2 minutes. Robert McDonald, Woody Waters, Harold Swinney, William Schmitt, and Joe Perica each won more than 10 points. Hand and Swinney were taken to the State Wrestling meet at Illinois University. Swinney lost his match on 4 seconds time advantage to his opponent. Hand received an injured nose and upon orders of the university physician forfeited his match. This was a tough break for Dutch as he had a fine chance to take the State heavy-weight crown.

Track

TRACK this year has not been as prosperous as last year but has been better than Coach Jackson expected at the beginning of the season. The squad has a number of boys on it who will be back next year and for whom this year's experience will be invaluable.

Osker Reynolds, Wilbur Hand, Tommy Van Meter, and Tommy Jones made up our relay team—the one field in which the Red Birds won most of their honors in track this season. These boys brought back a swell trophy from Herrin where they won the 8 lap relay and set a new time record of nearly 6 seconds less than the mark set several years ago at this school. Sorry, but of these four, only Jones is not a senior, and this means a new relay team must be built for next year.

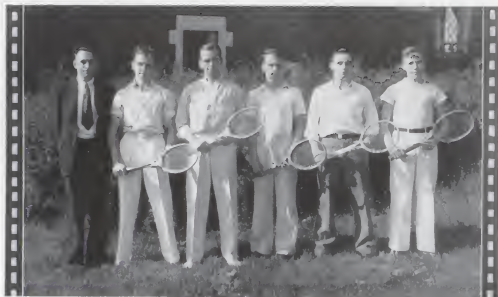

These same boys won the conference 2 mile relay race when they simply dashed away from all competition. In the mile relay at the same meet they lost to Belleville but in this race Belleville set a new time record.

Reynolds made a good showing in the quarter mile runs and Hand and Van Meter were also good middle distance runners of fine caliber.

Tommy Jones has another year in track work and should be able to really go places next year. He did some fine work this year in the $\frac{1}{2}$ mile. In the district meet Tommy did the half mile in 2 minutes and 6 seconds. However, he had to be satisfied with second place when the winner was clocked in 2:5:6 or to be specific just $\frac{2}{5}$ of a second ahead of Jones. Jones was taken to the State meet by Coach Jackson and in meeting the cream of the State Jones placed eighth in the race in which he ran.

Tennis

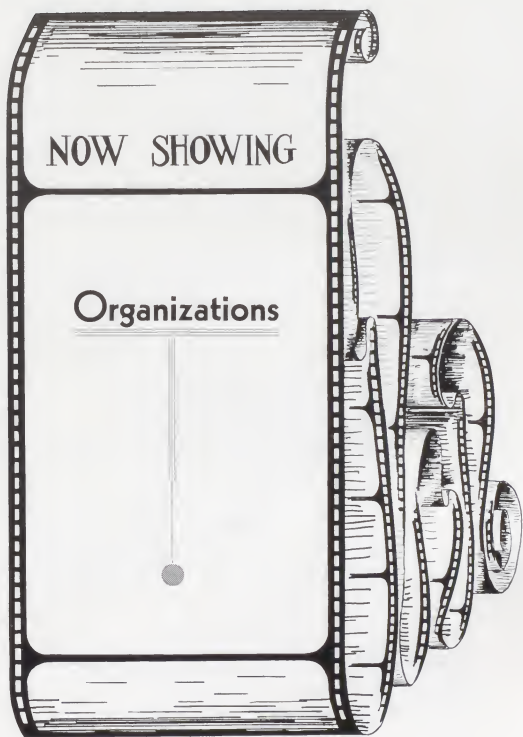

DUE to a spring of wet weather and a lack of good practice courts, there has not been a great activity in tennis this spring. No regular schedule was drawn up in the conference but each school planned for and played as many games as possible. In the district meet the Red Birds netsters made a good showing but lost in each case to the conference winners.

In a match with Western Military our doubles team of Abernethy and Huebner won while Burch was defeated in the singles. At the time the Tatler went to press matches remain to be played with Edwardsville and in the conference tournament. The doubles team has a better chance of taking the conference championship than at any recent time except last year when Alton won the doubles.

Before tennis gets under headway next spring, graduation will claim Abernethy, Huebner and Burch. Drescher, Thompson, and Brown will form a group around which to build next year's squad.

The Times Staff

It has been the purpose of the Alton High Times during its six years of publication to promote good scholarship; to preserve school traditions; to encourage clean sportsmanship; to sponsor school activities; to provide experience in various phases of newspaper work; and to increase school loyalty.

During the school year eighteen issues of the paper are published; one every two weeks. The Times is entirely self supporting, depending only on its advertisers and subscribers.

Quill & Scroll

THE Lovejoy Chapter of Quill & Scroll, which is an honorary society for high school journalists, was founded in 1927. The chapter had 43 members the first semester of this year and 33 the second. The sponsors of the society are Miss Mildred Rutledge and Mr. Luther Myers.

In 1935, the chapter won second honor in the National Quill & Scroll contest by submitting the Times and in 1936 won first award in the contest.

This year the Quill & Scroll has started a drive to acquire money to install a public address system in the auditorium. The chapter received part of the proceeds of the boat excursion. On March 31 and April 1, a moving picture show with "Gay Desperado" and "Love in Exile" was presented by the chapter in the Uptown theater.

This chapter has five honorary members, which are C. C. Hanna, D. W. Wood, P. L. Thompson of Shurtleff College, P. B. Cousley and J. J. Dromgoole of Alton Evening Telegraph.

Girls' Auxiliary Council

THE Auxiliary Council held its first meeting January 11, 1928, at the Roosevelt High School. Miss Carolyn Wempen, dean of girls at Alton High, was the sponsor. She had planned for some time to arrange a club of girls who showed a tendency towards leadership. Certain such girls were selected from each class of the high school.

When the Auxiliary was started it consisted of fifteen members. Nancy Cousley was the first president.

A plan for helping freshmen girls to become acquainted with high school life was decided upon by this first group. Each member of the Council was to act as a "big sister" to a group of freshmen girls. This plan has been carried out during the following years.

During the past three years the Council has been very prominent in Alton High. Its purpose, "service," has been very successfully performed. The Council girls are ready to do any service required of them. They help in the clinic, act as hostesses in the main office, help keep the campus beautiful, and help enforce the rules of courtesy.

The Council gives "capers" each semester and the last two semesters has held school dances. The money earned in the Council goes to charity and the lunch fund.

Boys' Cabinet

THE Boys' Cabinet was founded in January, 1928, when boys who had acted as guides for freshmen organized a service club. The purpose of the Cabinet is to serve the school and to encourage beneficial activities among the boys. The Cabinet members are always ready to assist in school projects in any way they can. They sponsor the high school excursion each year, manage the score board at football games, act as gatemen at athletic contests, and as ushers, when needed, at other school functions. Each February they assist new students by explaining the school activities and individual programs and by acting as guides. In the fall they hold an orientation assembly for new boy students.

New members are chosen to the Cabinet at the beginning of each semester and officers are chosen at the beginning of each school year.

National Honor Society

THE National Honor Society of Secondary Schools is conducted under the auspices of the Department of Secondary School Principals of the National Education Association. It was organized at Chicago in 1919, after a long-felt need for an honor organization national in scope for secondary schools.

The Alton Chapter of the National Honor Society was chartered in the spring of 1927, with eleven members, under the sponsorship of Misses Cartwright and Cates.

The purpose of the society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage development of character in the students of Alton High.

Only fifteen percent of the students of the 4-1 class in the upper third of the class, who have been rated in leadership, service, and character by the faculty are eligible for membership.

The society meets once a month, at which meetings its business is transacted and outside persons are invited to speak.

Senior High Girl Reserves

THE Girl Reserves is an organization of the Y. W. C. A. to help girls prepare for a wise and happy future.

In 1881 definite work was being done by the Y. W. C. A. to help the younger girls. In 1918 these different organizations of girls adopted the name of "Girl Reserves." It is not only a national organization but an international one as well.

A group was first organized in this school in 1924. Girls in our club are taught to appreciate the better things in life. They are intimate with the out-doors and cultivate the friendship of other girls. All girls are welcome to our club, providing that they accept the purpose of the club.

Alton Senior Hi-Y Club

The purpose of the Alton Senior Hi-Y Club is: "To create, maintain, and extend throughout the school and community high standards of Christian character." The four planks in the platform are: Clean speech, clean scholarship, clean sports, and clean living.

The Hi-Y Club is a group of older high school boys who are seeking for themselves and their fellow students the highest standards of life and conduct. This club affords an opportunity for developing leadership among its members, emphasizes things worth while, and aids in the formation of friendships.

This club is chartered by the State and National organizations of Hi-Y Clubs. A prospective member must be a sophomore before he is eligible for election into the organization.

Creative Writing Club

To develop the creative writing ability of the members, to afford opportunities to write and to discuss matters pertaining to literary writing, and to sponsor creative writing by other than club members: that is the aim of the Creative Writing Club, organized by Miss Laurretta Paul in 1931. Meetings of the club are held each Thursday from 8:20 to 8:50 a.m. At these meetings literary writings of various types are submitted by club members and are criticized by the other members and by the sponsor. The best of these contributions are printed in the club magazine, "Wings," first issued in 1931. Contests to encourage creative writing on the part of other than club members have been sponsored from time to time by the club. These have had a varied appeal and have been popular.

Art Club

The purpose of the Art Club is "To promote all worthy art activities within the school." The Art Club was organized October 31, 1931, with a membership of nineteen. Believing that a small club with strict admission requirements would make a better working organization, the Art Club has the following requirements:

- (1) A student must have had one year of art in this high school or other high schools.
- (2) During this required year of art the student must have made a grade of "B" or above.
- (3) A student must receive a majority vote when voted into the club.

The Art Club pin is in the shape of an artist's palette and has either three colored stones or enamel settings in it.

YOU'LL DROP MORE PESTS WITH SUPER-X .22's

Go after pests with Super-X .22's! Stalking is much easier because of their LONGER RANGE, HIGHER SPEED and POWER! Close approach in the open is unnecessary! So why limit your sport to the more difficult, short range shooting and hard stalking with ordinary .22's?

With Super-X you increase your sport 100% and help clear woods and fields of crows and all the pests that destroy game and crops!

EXTRA CLEAN—That's Super-X! The clean, invisible hard wax lubricant on the Lubaloy coated bullet—not a grease—makes Super-X clean in hands and rifle! Lengthens the barrel life. Increases accuracy. Non-corrosive priming further assures a clean rifle bore.

New Expert .22's

For plinking and target practice, where the long range and power of Super-X aren't needed, shoot Western XPERT .22's. Smokeless! Non-corrosive! Greater Accuracy! Lead Lubricated bullets in Short, Long or Long Rifle.

Jokes

Shirley Seymour was a sporting chap who dined at barbecues: he wore a low-cut broadcloth vest and spangles on his shoes.

He tripped the light fantastic toe, he sang, "The Gang's All Here:" he played a first-class game at bridge and spiked his bottled beer.

Now Shirley loved a pretty maid, her name was Helen Sondles, and Helen liked her bottle too; they painted up the town.

Shirley's bottle was his daily friend—and thus he played the game; it took ten years to pickle him and bottle up his frame.

So Helen is a widow now, without a blessed sou; Shirley couldn't play the bottle game and keep his sweet wife too.

Her children's in an institute, and Helen's on the blink, poor Shirley's in an arid place without a drop to drink.

—○—
Fred Olsen: "Why do you have that bridge on your violin?"

Mary Jennings: "Oh, just to get the music across."

—○—
Osker Reynolds: "Do you believe in love at first sight?"

Schlaflly: "It depends on who is in sight."

—○—
Miss Rutledge: "What's a metaphor?"

Rayburn Ray: "It's for cows."

—○—
Mr. Davis: "Well son, how are your marks?"

Jimmy Davis: "They're under water Dad."

Mr. Davis: "What do you mean under water?"

Jimmy Davis: "Below 'C' level."

—○—
"Girls who cried when they were babies, are babies when they cry now."

—○—
Vincent Monzel: "What do you think every man should know?"

Margaret Hanna: "My telephone number."

—○—
Doris Laux: "Last night a hold-up man stuck a gun in my ribs, but I only laughed."

Robert Brown: "My, but you must be brave."

Doris Laux: "No, only ticklish."

—○—
"A girl may not care anything about politics but she's apt to be interested in good party men."

—○—
Mr. Harlan: "I will not start today's lecture until the room settles down."

Voice from back row: "Go home and sleep it off."

—○—
Wife: "I sent my husband to the hospital today because of his knee."

Friend: "Oh, water on it."

Wife: "No, his secretary."

—○—
"Don't count your checks until they're cashed."

—○—
Betty McDow: "Which would you prefer in a boyfriend, brains, wealth, or appearance?"

Ellen Gould: "Appearance—and the sooner the better."

Jokes

Alla May McDonald: "I'm sorry, sir, but if I posed for you I'd insist upon wearing a kimono."

Joe Bonafede: "Oh, come now, isn't there some way of talking you out of that?"

Mother: "I wonder what happened to those lovers in the hammock, who live across the alley."

Daughter: "Oh, they fell out."

Bob Wilkinson: "I was kicked out of Vassar."

Homer Clark: "But Vassar is a girl's school."

Bob Wilkinson: "Sure, that's why I was kicked out."

Miss Lowry: "Who's your favorite author?"

Virginia Lee Heuer: "My dad."

Miss Lowry: "What did your dad ever write?"

Virginia Lee Heuer: "Checks."

Mr. Stallings: "Now if I subtract 25 from 37, what is the difference?"

Joe Hamilton: "Yeah, that's what I say. Who cares?"

George Fries: "Pop, I need an encyclopedia for school."

Mr. Fries: "Nothing doing, you can walk to school like I did."

Max Wood: "I kissed Betty until she said Dad."

Richard Rutz: "You must be quite a man."

Max Wood: "Oh yeah! You ought to see the size of her Dad."

Miss Voss: "Have you ever had people try to walk all over you?"

Mr. Ihne: "Oh yes, I've had seats on the aisle in the movies lots of times."

Agnes Simpson: "My mother was very beautiful."

Velma Graves: "So you take after your father."

Miss Rutledge: "I have 20 inquiring reporters on my newspaper staff."

Miss Cartwright: "Oh you mean the ones that go around asking questions?"

Miss Rutledge: "Yes, they're always inquiring as to when they will get booted."

Mr. Marti: "My wife is always looking for something cheap."

Mr. Clark: "Oh, so that's how she got you."

Ralph Spurgeon: "Can I ask you boys for a dollar until tomorrow?"

First Team of Football Squad: "Say, you can ask us until a day after tomorrow and still not get it."

Mr. Hainline: "So this is the athletic club where you made your first appearance as a professional wrestler."

Henry Heath: "Yeah, eggs mark the spot."

The year's biggest whopper comes from Henry Holt, who claims the blossoms on his cherry trees were so heavy that he had to prop up the limbs.

Mr. Chase stopped at a roadside stand down below Nameoki, where a sign announced five-cent ham sandwiches. He took a bite, but tasted no ham. Then another bite, and still no ham. He spoke to the proprietor about it, and he suggested another try. No ham. "Well I swan!" exclaimed the old man behind the counter. "You musta gone right apast it."

With the printed legends all gone out of the movies, and some of the new magazines almost entirely in pictures, Scissorbill thinks we may be heading toward a generation that won't need to learn reading.

Dorothy Gaines: "Daddy, what is your birthstone?"

Mr. Gaines: "I've forgotten but it must be a grindstone."

Evelyn Taylor: "After all, fools help to make life interesting. When all fools have been bumped off I do not want to be here."

Miss Hackman: "Don't worry, Evelyn, you won't be here."

Jean Herzler: "I hear that Mary Lucille Martin is getting married."

Elsa Maupin: "Serves her right. I never did like her."

Mr. Myers: "Look here son, you can't act like that and go to heaven."

Jerry: "Oh, well daddy I want to go with you anyway."

ONE WOMAN TEACHING ANOTHER TO DRIVE A MOTOR CAR

"Now, we're all set. Just turn the jigger over and push on the hickey with your left hand and pull down on the other little jimcrack with your right, then press down the doo-dad with your foot and pull the thing-um-bob at the same time, and when it starts you push down on the doo-funny with your left foot and yank the umpty-diddy back, then let up on the foot dingus and put your other foot on the hickey-madoodle; and don't forget to push down on the hootennanny every time you move the what-you-may-call-it, and you'll be hunky-dorey, see?"

Save a bouquet for the old lady who pointed to a statue of the Venus de Milo—the one with half an arm missing on one side and the whole arm off the other—and warned her little granddaughter what may happen to a person who bites her finger nails.

One writer gives thanks because the use of trucks and tanks in warfare has stopped much cruelty to horses. All that's left now is to figure out some way to stop war's cruelty to men.

MOTORISTS PLEASE NOTICE

If you ever hear any peculiar noises in your motor be sure to rush your car to an expert repairman because you may have the same trouble Mr. Ihne had with his Chevy. On a recent trip the jiffin pin jostled loose and let the sarkanus rod drop down and the pistons backfired against the muffler.
